

**2016**

New year,  
an even better you!

This year, regain the youthful figure you want!

The holidays are a special time of year for enjoying the good things in life like friends, family and maybe even a little overindulging in our favorite foods. Don't let troublesome areas of fat stay with you in 2016; a **Smartlipo™** procedure can help you achieve the youthful shape you desire no matter what area troubles you.

Call today to schedule your consultation.

**Smartlipo Triplex™**

NEW   
**kybella™**  
(deoxycholic acid) injection

**Dr. Stroup is now offering Kybella!!  
Improve your chin profile & get rid of  
your double chin right in the office!!  
Offering free Kybella consultations  
through 08/31/16.**

The active ingredient in KYBELLA® is deoxycholic acid, a naturally-occurring molecule in the body that aids in the breakdown and absorption of dietary fat. When injected into the fat beneath your chin, KYBELLA® causes the destruction of fat cells. Once destroyed, those cells cannot store or accumulate fat.
